EASTERN DISPATCHES.

Rich Strike.

ELKO, July 17.

Parties here yesterday, just in from Cornucopia, confirm the report of the richest strike yet made in that district. The vein is three feet thick; has been struck about thirty five feet from the surface, and shows horn-silver in a mass. The new location is known as the Grand Prize. It is causing much excitement among miners and others in this place, and it is the general opinion that a bonanza has been struck.

Indian Matters

CHICAGO, July 17.

Recent telegrams are to the effect that the Indians are moving on Medicine Bow station, on the Union Pacific Railroad, almost due south of Fort Fetterman, it is supposed for purpose of capturing or destroying the supplies which have been recently placed there in large quantities by the Government, there being 50,000 rounds of amunition there among other things. A very small force of Indians could seize and destroy these stores. Their destruction at this time would seriously damage military operations against the Indians. It is supposed that the chief of the hostile Indians is Sitting Bull of the Red Cloud Agency, who visited Washington about a year and a half ago, when he was presented with a rifle by General Grant, on account of the great bravery he had displayed a short time before in checking the attack on the whites connected with that agency; but it is not the case, there being two chiefs by that name.

NEW YORK, July 17.

Dispatches received at the War Department from General Crook at Goose creek state that the Indians in his vicinity outnumber him three to one. He estimates them at 4,000, while his force is only 1,200. No alarm is felt at the War Department of Crook's safety.

Four battalions of artillery from Forts Hamilton and Wadsworth are under orders to leave for the West to take an active part in the war.

CHEYENNE, July 17.

Late dispatches from Crook state that he has been joined by reinforcements of five companies under Major Burke. He has been harassed day and night by the Sioux and a number of horses have been stolen.

GREY & ISAACS.—This young, yet popular firm, are now ensconced in their new store, adjoining Beck & Co.'s, and opposite their old stand. We can truthfully say that the same is one of the handsomest dry goods stores in the State. The firm make a splendid showing, but they could hardly do less, with the fine stock of goods they have. The success they have attained fully warrant them in carrying such a heavy stock, though this is the dull season, and yet they intend doing still better. Mr. Paul Grey, though young, has an old head on him, and understands the business thoroughly. And Isaacs is also very smooth.

MANNING & DUCK have received direct from the manufacturies a car load of Buckeye machines which they will sell at the following extremely low prices:

Iron frame new model Buckeye B.....	$120
do do do A.....	130
Wood do do	130
Harvester Mower and Self Rake Reaper.....	235

A liberal discount on the above prices for cash. Also for sale the Hollingsworth Buckeye & Tiger Rakes. je17-tf

FEARFUL HOMICIDE.

Samuel Miller Killed—Struck Nine Times on the Head with an Ax—George DeLong Confesses He Did the Deed, but in Self Defense—Miller's Head Mashed to a Pulp—Mrs. Miller Arrested as an Accessory.

Sunday morning Reno was again shocked over the news of another fearful homicide being committed—this time near Peavine. The body of Samuel Miller, the deceased, was brought down from the scene of the tragedy at the Junction House on Sunday morning, by Coroner Jones and taken to the undertaker's rooms. The prisoner, George DeLong, was arrested Saturday night, and is now in the county jail. Mrs. Miller was arrested Sunday evening on a charge of being an accessory to the crime—the evidence adduced at the inquest being so pointed. The evidence will be found to conflict on some essential points. The most valuable testimony given is that of W. E. Lemmon. We append the important portions of the testimony given at the Coroner's Inquest, which was held in Judge Gilson's office Sunday afternoon at 1 o'clock. No testimony appears wherein anyone saw the affray, though it is likely that it will be divulged. We give the testimony as jotted down by our roporter:

S. K. BARBER, SWORN, said, Know deceased; named Samuel Miller; resident of this county; don't know his age; heard of the killing at 9¼ o'clock, on the night of the 15th; told by Mr. Lemmons, who came to my house at Peavine three miles from the junction, and said that Mr. Miller was killed and that Geo. DeLong wanted to see me; I went to the junction and found DeLong in the barroom; arrested him; brought him to Reno, and delivered him over to Sheriff Jones; DeLong told me he did the killing; that Miller threatened to lasso him and tie him to the horn of a saddle and "snake" him around; that when he struck him he was attempting to throw a rope over him; I did not see any rope; he struck him with an ax; did not see the body; he said he struck Miller three times.

MRS OLIVIA MILLER, SWORN, said, Am wife of Samuel Miller; was at the Junction House at time of killing; did not see it; happened about 8 o'clock; Miller came home from Reno with his horse and told DeLong to picket the horse; DeLong did not answer; Miller called him many names and said he would take a lass-rope and pull his neck off; Miller went a little ways with the horse and then came back, and said he wanted to keep the horse near the house for fear that DeLong would steal it; he did not tie the horse but got off; he called DeLong more names; I went in the house then and do not know anything further; I did not see Miller again; when I went into the house did not see DeLong; saw DeLong riding the horse going to Lemmon's; went after him; went to the Peavine road, a little below; he came back alone; he didn't speak to me except when he took me by the hand and told me to go home; I went; he went to the house; I think he went in; stayed in the house a good while; did not see any one take him from the house; don't know where he went; don't know where he is; Miller had a long picket rope fastened to saddle when he spoke to DeLong first; carried rope in his hand; saw DeLong then; did not see DeLong again; did not see ax; have not seen my husband since; heard he was killed for the first time this morning; I went out and saw the coffin, when the men came in for clothes; his name was Samuel Bartley Miller; 46 years old; born in Ohio; DeLong lived with us 11 months; was there when Miller came home; had worked for him on the Summit; is a young man; when Miller told him to picket his horse DeLong said it is too late and he was too tired; Miller called him names; he is quiet and did not reply; when Miller went out DeLong did not follow him out; he rented the bar from us for $6 per month, and Miller used to go behind the bar and drink the whisky, which caused the hard feelings; Miller had been drinking for three or four days and was the worse for liquor; DeLong never drinks; heard no noise outside; I thought DeLong would steal the horse and so followed him; he never made threats that he would take the horse; it was a stray horse; Miller was so drunk that he staggered; was so drunk he could not get into the saddle quickly; he did not fall, but staggered; was in the saddle the last time I saw him; think the killing happened at 8 o'clock; he came from Reno at 7½ o'clock, and sat inside the house with me a good while.

DR. DAWSON SWORN said, Examined deceased; found 8 or 9 distinct wounds about the skull; had appearance of being made with dull instrument; either one of five of the blows would have caused death.

W. E. LEMMONS SWORN said, First heard of killing 15 minutes after 8 on the evening of the 15th; DeLong came to my place and said he wanted four or five men to go to junction; said a little accident had happened to Sam Miller; he had a row with him and hit him on head with ax; he struck him with the back of the ax; DeLong started back to junction where three of us followed; two caught up with him when within half a mile of junction; Mrs. Miller was crying and DeLong and she were walking along hand in hand; DeLong told us to go to junction; told us where to find the body, saying it was close to the well; waited at junction until he came; Mrs. Miller went to the house; saw Mr. Miller; then Ben Hill and myself went to Poe City; got Mr. Barber and several other men and went back to junction; Barber arrested DeLong and took him to Reno; did not see rope; saw ax; do not think could identify it; DeLong said Miller was rather drunk; that Miller asked him to stake his horse out; DeLong said it was too late; Miller then went and got lasso and threatened to lasso DeLong and "snake" him around; did not say how many times he struck him; Mrs. Miller was present and told me where to find the body; DeLong and she came back together; they came along to the end of porch furthest from the body; she could not see body; DeLong went into house with her; they were not talking together; after she laid down DeLong brought light and looked at body; made no remarks; deceased was 12 or 15 feet from house; had no hat on; hat was on the porch, no one moved the body; she acted as if she knew her husband was dead; she acted that way from the time I first met her on the road.

HENRY PHILIPS SWORN said, Reside at Poe City; first heard of killing between 9 and 10 o'clock, July 15, 1876.; Mr. Merrill, Mr. Lemmons and Ben Hill came to Mr. Barber's and called for him; I got up and Mr. Barber asked me to go down to junction with him; they told me Miller was killed; we started for the junction; Mr. Barber arrived first and arrested DeLong; Mrs. Miller was laying on porch; we carried her in and put her on bed; I stayed at the house all night and came to Reno this forenoon; found Miller's body lying southwest from well about 10 feet; nine paces from house; saw a rope this morning; it was 20 feet long, ¾ inch rope; was not coiled up, but strung out about 8 or 10 feet; saw an ax; (identified one shown him) (hat was shown him) that is the hat I saw lying on the ground near house; think Mrs. Miller was not under the influence of liquor; she got up about daylight; she kept wondering where Miller was; asked her what she was crying about; she said there are so many men around something is wrong; ground did not look as if there was any struggling; saw another rope attached to halter.

W. SANDERS SWORN said, Reside in Reno; business, undertaker and furniture dealer; went to Junction House this morning at request of Coroner to bring in body of Mr. Miller; body was lying on its face about 10 feet from well; examined head and noticed three fractures; examined the head again when washing and found more and one on right arm which looked as if it was caused by warding off blows; nose and forehead were skinned as if by falling; skull all broken loose; looked as if had been hit by dull instrument; (shown ax) saw it this morning near the body, also saw that hat (pointing); brought the ax and hat in with me; no indications of struggle on the ground; hat had marks of blow on it and blood and hair inside; saw picket rope on the west side of house, midway of house, four feet from building; laying in a bunch, not coiled; judge it was 30 feet long; ¾ inch rope; about 50 feet from body; body was 15 or 20 feet from woodpile; think body received wounds after it touched the ground; I can swear positively to it; went into house to get some clothes at request of Coroner, and to have Mrs. Miller ready to come to Reno; she said he had no clothes but what he had on excepting a pair of drawers, a checkered overshirt and undershirt, which she gave me; he had no white shirt; she said nothing of the killing.

VERDICT.

The jury found the following verdict: "We find that deceased was named Samuel Miller, was a native of the State of Ohio, age about forty-six years, that he came to his death on the 15th day of July A. D. 1876, in the county aforesaid, by blows from an ax, said blows being upon the head, and said ax being in the hands of George DeLong, all of which we duly certify by this inquisition in writing, signed by us, this 16th day of July, 1876.

BYRNE—In Reno, July 16th, 1876, to the wife of T. M. Byrne, a daughter.

NEW TO-DAY.

HAS RETURNED!

DR. SPINNEY & CO.

Would most respectfully announce to the afflicted that they have reopened a Branch Office

Cor. Union and C Streets,
(Opp International Hotel)

VIRGINIA CITY, NEVADA.

Where they still continue to treat Chronic and Private Diseases with unparalleled success.

LADIES AND GENTLEMEN

Remember, that procrastination is the thief of time. If you are ill,

COME AND BE HEALED!

IT MATTERS NOT what your troubles may be come and let the Doctors examine your case. It will cost you nothing for consultation, so please call and satisfy yourselves whether they understand your case. If curable they will tell you so, if not, they will tell you that, for they will not undertake a case unless confident of effecting a cure.

YOUNG MEN!

Why may be suffering from the effects of youthful follies or indiscretions will do well to avail themselves of this, the greatest boon ever laid at the altar of suffering humanity. DR. S. & CO. will guarantee to forfeit five hundred dollars for every case of seminal weakness or private diseases of any kind or character which they undertake and fail to cure. They would therefore say to the unfortunate sufferer who may read this notice, that you are treading upon dangerous ground when you longer delay in seeking the proper remedy for your complaint. You may be in the first stage—remember you are approaching the last. If you are borffering on the last, and are suffering some of the evil effects, remember that if you obstinately persist in procrastination, the time must come when the most skillful physician can render you no assistance, when the door of hope will be closed against you; when no angel of mercy can bring you relief. In no case have they failed of success. Then let not despair work itself upon your imagination, but avail yourself of the beneficial results of their treatment before your case is beyond the reach or medical skill, or before grim death hurries you to a premature grave.

MIDDLE-AGED MEN!

There are many of the age of thirty to sixty who are troubled with too frequent evacuations of the bladder, often accompanied by a slight smarting or burning sensation, and a weakening of the system in a manner the patient cannot account for. On examining the urinary deposits a ropy sediment will often be found, and sometimes small particles of albumen will appear; or the color will be of a thin and milky hue, again changing to a dark and torpid appearance, There are many men who die of this disease, ignorant of the cause, which is the second stage of seminal weakness. Drs S. & Co. will guarantee a perfect cure in all such cases, and a healthy restoration of the genito urinery organs.

DR. SPINNEY is well known as founder of the Montreal (C. E.) Medical Institute, and late proprietor of the Spinneyville Infirmary.

JOURNAL OFFICE.

The office of this paper is now in the new two-story brick JOURNAL building on Second, between Virginia and Sierra Streets.

HAY.—The ranches on the Meadows, out in Steamboat and Washoe Valleys, and generally throughout the county are very busy cutting hay. The crop is a good one, and the yield this year will be larger than ever. All of which is encouraging.

VERDI COAL.—W. Frank Stewart, the geologist and mineralogist, has been examining the coal deposits around Verdi. We understand he is very favorably impressed with the outlook, and prepared to make favorable reports.

CONSOLIDATED POE.

Stockholders' Meeting — The old Officers Removed and New ones Elected—Etc.

Pursuant to published call of the District Judge the stockholders of the Consolidated Poe Mining Company met in the court-house yesterday morning, Judge Wright presiding. J. S. Bowker, was elected Secretary. Sufficient stock being represented, the meeting proceeded to business and voted on the removal of the officers, which was carried by a vote of 44,000 odd shares, out of 60,000, the vote being unanimous. This ousted Manager Webster, Secretary Borland, Treasurer Bender, and S. Buckley, J. H. Corless, Wm. Webster, John Wilson and J. H. Borland, Trustees, previous resignations being ignored.

A new election was ordered for Trustees, which resulted in the unanimous choice of Irwin J. Buckley, H. W. Farnam, A. D. Griffin, M. E. Morse and H. H. Beck, 43,159⅛ shares being voted. The Judge ordered certificates of election to issue, and the oath of office was duly administered.

The new Board organized by electing Irwin J. Buckley, President; C. W. Farnam, Vice President; A. D. Griffin, Supt.; B. F. Brown, Sec'y; J. H. Kinkead, Treasurer.

The new Board met again at 7½ o'clock last evening. A resolution was passed to postpone the pending assessment for thirty days, or until August 24th, on account of negotiations now pending looking to the settlement of outstanding liabilities. After attending to other important business the Board adjourned to meet this evening at 7½ o'clock.

HUMBOLDT FAIR.—We are indebted to the Secretary for a printed copy of the by-laws and second annual announcement of the Humboldt District Agricultural, Mining and Mechanical Society, to be held in Winnemucca, October 2d, 3d, 4th, 5th and 6th, 1876. The premiums are liberal and the grounds in tip top order.

PYRAMID.—Things are moving along swimmingly at the new camp. F. F. Osbiston and other Virginia mining experts will be down next week to take a look at the mines. Their present knowledge concerning it leads them to believe "there is millions in it."

TRUE BUSINESS.—The new Board of Trustees of the Con. Poe will make every exertion possible to retrieve the fallen fortunes of the Company, and make the property a valuable one. We hope they will succeed.

MEETING.—Notice is given in another column that there will be a meeting of the Republican Central Committee on next Saturday afternoon at the court house, for the transaction of necessary business and to prepare for the coming campaign.

ENLARGEMENT.—The *Enterprise* is to be enlarged to a 28x42 paper on the 1st of August. This change will enable the running of a larger quantity of reading matter. The *Enterprise* will then be the best newspaper on the Coast. In fact, there is none better now.

ANOTHER HOUSE.—Mr. C. A. Gibson's new house, across the river between Boardsman's and Kinkead's, has sprung up like a mushroom. Situated so commandingly, it will make a pleasant home.

THE walls of Lee's stone building are up, and that portion of town assumes considerable style. A large force of men are at work, and the entire structure will be pushed ahead with remarkable celerity.

STILL THEY COME.—Alvaro Evans has let the contract for a fine house which he intends to build on the north side of North Virginia street. The more the merrier.

LAKE TAHOE is now accessible to tourists and pleasure seekers, and daily is the number of them being increased at this delightful watering place.

SEVEN.—The Washoe county jail contains seven prisoners at present. They are getting along as well as can be expected under the circumstances.

THE Good Templars will have a public installation of officers on the first Friday in August. The Lodge is preparing to make the occasion one of pleasure.

RALLYS.—Virginia had a grand Hayes and Wheeler rally last Saturday evening. Carson will have one next Saturday evening. Reno should be third in the field.

WATERMELONS, ripe apples, appricots and blackberries are in market.

FIFTY men were discharged from the Ophir mine yesterday.

PIONEER BARBER SHOP.—Messrs. Enkle & Morris are still at the old stand. Three first-class artistes can always be found on hand, who are second to none on the Pacific coast. There is nothing so luxurious on a warm Summer day, than to sit under the manipulations of one of these artists. If you are troubled with dandruff, have a headache, or a fit of blues, an application of our justly celebrated "Tonic Magniff" will remove the same as if by magic. Ladies and children wishing anything in the line of hair cutting and shampooing can be waited upon at their residence by Prof. Morris, who is no novice in the business. Hair restoratives, hair oils, bay rum and everything appertaining to the business always on hand. Give us a trial.

j2-1m ENKLE & MORRIS.

PENMANSHIP.—Prof. J. Buck, from Sacramento, will open a Writing Academy on Monday at the school house. Day class will begin at 3 o'clock. Evening class, 8 P. M. Many will remember that Professor Buck taught a class here about three years ago. He comes among us highly recommended, and we bespeak him a good attendance. All who wish to acquire a good hand writing should not fail to improve the opportunity. *

IN THE MATTER OF THE PETITION OF THE stockholders of the Consolidated Poe Mining Company for the removal of the officers of said company Notice to the stockholders of said mining company: A petition of stockholders in said Consolidated Poe Mining Company, having this day been presented to me, wherein said stockholders do petition me, as Judge of the District Court of the Second Judicial District of Nevada in and for the county of Washoe, to issue my notice to the stockholders of said company in due form of law, that a meeting of said stockholders will be held at the District Court room of said Washoe Court in the town of Reno, at such time as I may deem just and sufficient under the law to take into consideration the removal of the officers of said company.

And it appearing satisfactory to me that said petition is signed by the several stockholders holding a majority of the stock actually issued by said mining company, and the same is duly verified by said signers to the effect that they are severally the holders of the stock in said company to the number of shares set opposite to their signatures in said petition. And it also appearing that in all other respects the said petition is in due form of law and that said company is incorporated under the laws of this State.

Now therefore, notice is hereby given to all the stockholders of said mining company that a meeting of the stockholders of said company will be held at the Court room of the District Court in the town of Reno, in the county of Washoe, State of Nevada, that being the county in which the principal place of business of said Consolidated Poe Mining Company is located, on Monday, July seventeenth, A. D. 1876, at eleven o'clock, A. M. of said day for the purpose of taking into consideration the removal of the officers of said company.
